FOOTPRINTS FOR BRAIN CANCER

**Together let's put our foot
down and make a stand in
the fight against cancer**

Founded by Dianne in 2014 the event has raised over \$75,000 for cancer research. In 2015, Dianne sadly passed away from glioblastoma multiforme (GBM). With the help of Dianne's friends and family, Cancer Council Queensland is proud to honour her legacy and continue her Footprints for Brain Cancer walk.

1 in 2 Queenslanders will be diagnosed with cancer by age 85

Your support helps fund lifesaving cancer research

HELP US HONOUR DIANNES LEGACY AND LOVED ONES LOST TO CANCER
